

Jill Cornforth Lemon - Chief Financial Officer

Jill Cornforth Lemon, of Ocean City, received her Bachelor's of Science in Accounting from The Richard Stockton College of New Jersey. Jill started her career as an accountant in the casino industry. After about five years, she realized that non-profit accounting would be more rewarding for her. Before coming to The Arc of Atlantic County, Jill worked as the Chief Financial Officer at AtlantiCare Behavioral Health. Jill has been at The Arc of Atlantic County since 2001.

As CFO at The Arc, Jill is responsible for all accounting, finances and budgeting. It is her job to report to the state, and to supervise billings, payables and payroll.

When Jill is not at The Arc, she enjoys fishing and kayaking and is often in Maryland where she and her husband have a vacation home. She is a member of the Deal Island Chance Lions Club and belongs to the Skipjack Heritage Foundation. As a lion, she participates in their annual Skipjack races. As a breast cancer survivor, Jill stays involved in the work of cancer organizations such as Susan G. Komen Race for The Cure, and believes it is important to support research and people whose lives have also been affected by cancer.

"I believe the community would support our individuals if they were more aware of what we do. Local families don't realize how much of a difference our services can make in the lives of the people we support. It's my mission to make sure we have the funding so we can get that message out."
